

DEDICATION OF SERVITUDES

BY:
GABRIEL TWO, LLC

STATE OF LOUISIANA

IN FAVOR OF:
ATMOS ENERGY CORPORATION

PARISH OF Orleans

On the dates stated herein below, in the presence of the undersigned Notaries Public, personally came and appeared:

Gabriel Two, LLC (hereinafter referred to as "Grantor"), a Louisiana Limited Liability Company authorized to do and doing business in the State of Louisiana, herein represented by Bryan Krantz, its Manager, duly authorized to execute this agreement on behalf of Grantor, and

Atmos Energy Corporation (hereinafter referred to as "Grantee"), a Texas and Virginia corporation, represented herein by Ricky A. Burke, its duly authorized Vice President of Operations, Louisiana Division

Who, being duly sworn entered into the following agreement:

Grantor, the undersigned owner of the premises described herein below, hereby grants to Grantee, its licensees, agents, successors, assigns, and allied and associated entities, a non-exclusive servitude to install, construct, operate, maintain, add, and/or remove such natural gas distribution systems, facilities, or related services as Grantee may from time to time require upon, over, and under portions of the development known as Gabriel, City of Kenner, Parish of Jefferson, State of Louisiana, more particularly set forth in the description attached hereto and made part hereof as Exhibit A.

Grantee, its licensees, agents, successors, assigns, and allied and associated entities, is further granted a non-exclusive servitude to install, construct, operate, maintain, add, and/or remove such natural gas distribution systems, facilities, or related services as Grantee may from time to time require upon, over, and under all streets and service drives within and throughout the Gabriel Development. Grantee, its licensees, agents, successors, assigns and allied and associated entities, is further granted the right to access all servitudes created by this dedication via any and all private streets and service drives as may be necessary throughout Gabriel. The granting of this servitude is not exclusive and shall operate to prevent Grantor from granting servitudes to other utility providers within the same area as the servitude granted herein.

Grantee, its licensees, agents, successors, assigns, and allied and associated entities, is further granted a non-exclusive servitude to install, construct, operate, maintain, add, and/or remove such natural gas distribution systems, including but not limited to connections for gas service, as Grantee may from time to time require upon, over, and under the servitudes granted in

favor of other utility providers within the Gabriel Development. Any connections for gas service, or related services as Grantee may from time to time require upon, over, and under the servitudes granted in favor of other utility providers within the Gabriel Development shall be coordinated with the appropriate representatives of those utility providers. As between Grantor and Grantee, any damage to the other utilities within the servitudes granted in favor of other utility providers caused by Grantee, its licensees, agents, successors, assigns, and allied and associated entities, shall be the responsibility of the Grantee.

THUS DONE AND SIGNED by the parties in the presence of the undersigned competent witnesses and notaries on the day, month and year set forth herein below.
